

The Kristen Hughes HUGS Program

Help Us Give *Thanksgiving* Suppers to all

Counting Our Blessings

Did you know that more than 140,000 people in Lake County are living below the poverty line? During her four years at Lake Forest High School, Kristen Hughes was keenly aware of this fact and made it her passion to help fight hunger in our surrounding communities. In the Spring of 2007, after delivering more than 800 Thanksgiving dinners to families in need, she received The Volunteer Center of LF/LB's 2007 "*Heart of the Community Award*." Please help us continue Kristen's tradition of service. **CALL or STOP BY the Volunteer Center** and pick up a grocery bag and list of items needed to provide Thanksgiving dinner to clients of food pantries in Waukegan and North Chicago. Together we can make Thanksgiving a holiday everyone enjoys.
